COOPERATION AGREEMENT

Our primary concern at Billings Christian Schools is for students, especially their spiritual, mental, physical, and academic welfare. Every policy and standard of conduct has been carefully crafted to meet student and family needs, and to facilitate efficient and effective daily operations of Rimview Elementary School and Rimrock Christian High School.

It is the prayer of our administration and staff to serve each family and student in a loving, nurturing, and Christ-like manner. We express to you our thanks for your prayers, support, and cooperation, all of which allow these schools to function in a way that is honoring and pleasing to our Lord, to your family, and to those who work here.

We count it a blessing to be of service to you and to your child.

Classroom space is limited in our two schools, and because of these limitations we must emphasize that attending school here is a privilege. The Board of Directors, administration, teachers, support staff, students, and the families they represent ask that you review and sign the Cooperation Agreement only if you support it in its entirety.

1. I pledge my cooperation in bringing my child to school on time each day unless an emergency prevents me from doing so. I will also abide by the requirements concerning absences and returning to school.
2. I pledge my support and cooperation to the staff, teachers and administration in the education and training of my child. I recognize the need to participate in prayer, school functions, and service in order to properly support the ministry of the school.
3. I realize that my child and I must be in harmony with the rules and policies of the school. I understand that Billings Christian Schools has the right to dismiss my child from enrollment if my child chooses not to conform to a lifestyle that is in harmony with school rules and policies.
4. I pledge my support to the teachers and administration and hereby give them full discretion in the disciplining of my child. Such disciplining may include the issuing of demerits, detentions, suspensions, and/or expulsion from the school.

5. I understand and agree that attendance and enrollment is a privilege, not a right. I will do everything possible to have my child complete the entire academic year, realizing that another student and family may have been denied this privilege as a result of my child's enrollment. I understand that students accepted for enrollment have reserved space for the year. Therefore, if I withdraw my child from enrollment, tuition and fees are normally not prorated or refunded.
